## [VINIFICATION]

Sourced from hand harvested Chardonnay 40% and Pinot Noir grapes 60%. Gently pressed, free run juice was fermented in tank, with full malolactic fermentation. Secondary ferment via 'Méthode Traditionelle' in bottle for a minimum 40 months before hand riddling and disgorgement. Final extraction rate 550L per mt.

## [TASTING NOTES]

This wine of extraordinary sophistication and poise is named after the owners' and vigneron's daughter, Isabella Rose.

With a blend of 60% MV6 Pinot Noir and 40% Dijon Chardonnay clones, this wine displays aromas of red berries with enticing delicate hints of pressed flowers. Flavours of wild strawberries, black cherries, citrus blossom and toasted brioche delight the palate and are balanced with zesty, crisp acidity and long textural finish.
