

SIDEWOOD ROSÉ 2019

[ANALYSIS]

Alcohol | 13.0% alc/vol

pH | 3.42

Acid | 6.3

Closure | Stelvin

Bottling Date | August 2019

Estate Bottled

[VINIFICATION]

We select and hand pick a small parcel of Tempranillo grapes from our family owned Ironstone Road vineyard in Echunga. Gently pressed and left on skins for two hours prior to barrel fermentation and maturation for 9 months in 100% French oak, predominantly larger format older barrels.

[TASTING NOTES]

Beneath its pretty salmon pink appearance is a deceptively complex, serious Rosé wine with a bouquet of wild strawberries, cranberries and subtle vanilla. The wine has a crisp, dry palate of summer berries, spice and Red Delicious apple; maintaining the perfect balance of minerality, length and style.
