Sourced from hand harvested Pinot Noir 40% and Chardonnay grapes 60%. Gently pressed, free run juice was fermented in tank, with full malolactic fermentation. Secondary ferment via 'Méthode Traditionnelle' in bottle for a minimum 36 months before hand riddling and disgorgement. Final extraction rate 550L per mt.

[TASTING NOTES]

With a blend of 60% Dijon Chardonnay and 40% MV6 Pinot Noir clones, this wine has wonderful toasty brioche aromas enhanced by green fruits and zesty citrus. The palate has a harmonious balance of orange blossom, biscotti and green apple that complement the slaty, driving minerality balanced perfectly with an elegant creamy finish.
