[TASTING NOTES]

A dangerously tasty, sessionable cider made from crisp fresh Adelaide Hills' apples and Queensland pineapples. Milled, pressed, fermented and bottled all under one roof at Sidewood's Nairne Cidery. An explosive marriage of flavours that linger and dance around your mouth. Sunshine in a bottle with a UV rating (8% alcohol). Real fruit sweetness that shines through with a refreshing tart, crisp acidity to leave you wanting more. A textural cider with a soft carbonation that excites the whole palate. The perfect balance of sweet and tart fruits to make a cider that delivers maximum refreshment and enjoyment. Best served icy cold and shared with friends.
