

SIDEWOOD SPARKLING NV PINOT NOIR ROSÉ

[ANALYSIS]

Alcohol | 12.0% alc/vol

Closure | Diam

Dosage | 8 g/L

Estate Bottled | OCT 2023

[VINIFICATION]

Sidewood Sparkling Pinot Noir Rose is sourced only from fruit grown in the cool climate region of the Adelaide Hills.

Grapes were selected from low yielding vines and chilled in our cold rooms within an hour of picking, before being gently pressed. Free-run juice was then fermented with partial malolactic and extended time on lees prior to secondary ferment and bottling at our winery in Nairne.

[TASTING NOTES]

This 100% Pinot Noir wine has tantalising aromas of fresh strawberry, wild raspberries and dried fig. The palate is round and beautifully balanced. Intense flavours of cherry, white peach and strawberries are matched with a crisp minerality and a touch of brioche. The natural acidity provides excellent structure and finesse with a luscious, generous mouth feel.
