pH | 3.77

Acid | 5.1 g/L

Closure | Stelvin

Bottling Date | JULY 2020

Estate Grown & Bottled

[VINIFICATION]

Sidewoods inaugural release of our Tyre Fitter Shiraz a single clone, single vineyard shiraz grown at our Ironstone Road vineyard in Echunga.

The flinty, iron rich, free draining soils at Ironstone are perfectly suited to cool climate Shiraz.

Ironstone has seven shiraz clones. Each carefully managed to provide low yields, and each producing unique flavors and characteristics.

Block Three, produced from a SAVII 19 clone was one of two blocks from the 2018 vintage chosen for an individual release, with 1,170 bottles produced from three carefully selected barrels.

Hand picked, partial whole bunch with extended maceration. Twelve months in French oak - 30% new.

[TASTING NOTES]

A complex cool climate shiraz with red fruit predominant, complemented by darker plumb and blackberry flavors. Hints of white chocolate and tobacco entice. The finish is clean and lingering.
