[VINIFICATION]

SINGLE VINEYARD

Handmade in the traditional Alsatian style, the fruit was 100% hand-picked over a two-week period from selected rows at our Oakbank vineyard. The perfectly ripened grapes were chilled prior to being 90% whole-bunch pressed, free run juice was then barrel fermented and matured for 5 months using wild yeast in 100% larger format French oak.

[TASTING NOTES]

Aromas of tangelo, Meyer lemon rind and talc lead to a balanced, textural wine, displaying flavours of Nashi pear, lime and accented by notes of orange blossom and long, mineral-led finish.
