Dosage | 9 g/L

Release Date | Sept 2021

## [VINIFICATION]

Sourced from hand-harvested 80% MV6 Pinot Noir and 20% Dijon Chardonnay clones from Sidewood's Mappinga Road, Oakbank vineyard in . Gently pressed, free-run juice was fermented in tank on Pinot skins to create colour and texture via the 'Saignée' method. The wine underwent full malolactic fermentation in tank prior to being tiraged and secondary ferment via 'Méthode Traditionelle' in bottle for a minimum 60 months on lees. The wine was then disgorged with 9 g/L making it dry but complex.

## [TASTING NOTES]

This wine of extraordinary sophistication and poise is named after the owners' and vigneron's daughter, Isabella Rose.

Displaying aromas of red berries with enticing delicate hints of pressed flowers, this wine exhibits flavours of wild strawberries, raspberries, cinnamon, citrus blossom and toasted brioche. The palate is delightfully balanced yet zesty with a crisp acidity and long textural finish.
