[VINIFICATION]

SINGLE VINEYARD

We select and hand pick a small parcel of Tempranillo grapes from our family owned Ironstone Road vineyard in Echunga. Gently pressed and left on skins for two hours prior to barrel fermentation and maturation for 9 months in 100% French oak, predominantly seasoned 500L puncheons.

[TASTING NOTES]

Both the Aglianico and Temparnillo fruit are grown in the cool climate Adelaide hills which allows for a long slow ripening period allowing layers of flavours and vibrant acidity to develop. Our Rosato has a beautiful light pink/amber hue but holds a deceptively complex and serious wine with a long dry finish. Aromatics display a delicate range of florals and stone fruit whilst hinting a touch of spice which translate onto the palate adding an extra dimension of black cherry, candied orange rind and slight saline edge. Highly versatile across a number of cuisines and would match well with chargrilled King prawns, spicy dishes or seasonal fruit and crunchy meringue platter.
