

SIDEWOOD CHERRY PEAR CIDER

[ANALYSIS]

Alcohol | 8.0% alc/vol

Residual Sugar | 21.4g/l

pH | 3.259

Closure | Crown Twist

Acid | 7.1 g/l

[TASTING NOTES]

Our mouth-watering handcrafted Cherry Pear cider is created using fruit sourced only from orchards in the coolest pockets of the Adelaide Hills. Upon first pouring this cider, the bright red hues and aromatic nose is abundant. On the nose there is a touch of marzipan and forest berries. A refreshing balance of sweetness and tartness delivers on the palate in perfect harmony, with viscous richness from 8% alcohol. Serve icy cold and enjoy in moderation.
