

OWEN'S CHARDONNAY 2021

375ML | 300 DOZEN PRODUCED

[ANALYSIS]

Alcohol | 12.3% alc/vol

pH | 3.17

Acid | 8.2 g/l

Closure | Stelvin

Oak | 10 Months French Oak
Barriques

Bottling Date | December 2021

[VINIFICATION]

SINGLE VINEYARD

Last released in 2016 the 2021 finally fulfills the promise of the Mendoza clone on our Mappinga Road vineyard. Characteristically showing a lot of hen and chicken on the vines. This 100% Mendoza was handpicked. Fruit was sorted by individual bunches on the vines which were yielding at 6 mt per h.a.

Partial whole bunch and whole berry the fruit was fermented with its wild yeast. French oak, 30% new the balance older, all 300 lit format for 10 months. Partial malolactic fermentation. Rigorous barrel selection left us 300 dozen

[TASTING NOTES]

Aromas of oyster shell, dried lemon peel and a hint of gun smoke leap from the glass, proclaiming the beautiful acid line on the palate that is to come. The crisp linear minerality defining the concentrated citrus, flint and wet pebbles, brightly awakens the palate before showing off its balance and ultimate finesse.
