### [VINIFICATION]

SINGLE VINEYARD

Handmade in the traditional Alsatian style, the fruit was picked over a two-week period from selected rows at our Oakbank vineyard. The perfectly ripened grapes were chilled prior to being partial whole-bunch pressed, free run juice was fermented in both stainless steel and French oak vessels.

### [TASTING NOTES]

Aromas of lemon myrtle, graphite and talc lead to a balanced, textural wine, displaying flavours of Nashi pear, lime and accented by notes of orange blossom and long, mineral-led finish.
