[VINIFICATION]

We select sustainably grown grapes from our family-owned and managed vineyards across the cool climate region of the Adelaide Hills. Gently pressed taking the free run portion only prior to a long, cool fermentation in stainless steel to preserve the freshness and vibrancy of this daring new Rose.

[TASTING NOTES]

Beneath its beguiling salmon pink colour is a rose with a personality to match its name. A mouth-filling, textured and flavour packed wine showcasing freshly picked strawberries and followed by notes of Pink Lady apple, raspberry and vanilla bean. Although full of juicy fruit flavour, the wine stays crisp and refreshing on the palate balancing bright acidity and soft texture resulting in a lingering mineral finish. This wine is incredibly versatile and can be enjoyed with or without food however would complement seafood paella, mixed tapas or fresh chilli and mango salad.
