### [ANALYSIS]

Alcohol | 13.2% alc/vol

pH | 3.56

Acid | 6.3 g/L

Closure | Stelvin

Bottling Date | November 2023

Estate Grown & Bottled

### [VINIFICATION]

Produced from the rare 'Oberlin' clone, grown in only nine short rows at our Mappinga Road vineyard. Originating from Dijon, only 60 h.a remain planted in France and Sidewood plantings are probably the only Oberlin existing in Australia. The finicky clone is extremely low yielding and 2023 was no exception at 5 mt per h.a. Handpicked, wild yeast fermented, whole bunch was limited to 10%. Extended maceration. Matured in large French Oak barrels for eight months 15% new.

### [TASTING NOTES]

Aromas of fresh pomegranate and preserved strawberry are supported with mild herbal notes. A plate of ripe plum and fresh raspberry, carried with gentle tannins. Finishing with a savoury spices and rhubarb with a bright acidity and generous length. It is bright with a dry savoury note on the palate with lovely underlying spice.
