[VINIFICATION]

Handmade in the traditional Alsatian style, the sustainably grown fruit was picked over a two-week period from selected rows at our Charleston and Oakbank vineyards. The grapes were hand picked in the early morning and gently pressed. The free run juice was then fermented partially on solids in a mix of new and older large format French Oak barrels and stainless steel.

[TASTING NOTES]

Aromas of lemon myrtle, graphite and talc lead to a balanced, textural wine, displaying flavours of Nashi pear, lime and accented by notes of orange blossom and long, mineral-led finish.
