[VINIFICATION]

SINGLE VINEYARD

Hand picked from our 777 clone Pinot Noir vines from our Mappinga vineyard. Hand sorted then wild fermented in small batches with a small amount of whole-bunch. Matured in larger French oak for 10 months, to retain clonal expression.

[TASTING NOTES]

Displaying aromas of fresh rhubarb and tobacco leaf, this energetic Pinot Noir has integrated layers of wild raspberry, cherries and plum. Soft tannins and a round, rich mid-palate make this a complex single vineyard and unique single clone experience Drinking beautifully now but will continue to evolve.
